

Heritage School

January 2022

'Jesus grew in body and in wisdom.' Luke 2:52

Important Dates

- 1/17—**No School, Martin Luther King Jr. Day**
- 1/18, 1/19—In-House Registration Link sent out
- 1/22—In-Person Open House
- 1/26—In-House Registration deadline, 1 pm
- 1/28—**No Afternoon Programs**
- 2/2—Open House Registration

Does a Therapist visit your child in the building? Please remember to notify them when there is a school closing or your child is sick. They will greatly appreciate the heads-up.

Check out the new menu options and new restaurants that are now available.

In-House Registration for the 2022-2023 school year will now be **online only**. Heritage will be using the Brightwheel app to enroll your child. Look for a Registration email on January 18th and 19th for the enrollment process.

Open House

Spread the word to all your friends, neighbors, family, walking buddies, coworkers, and anyone else who you think would benefit from Heritage as much as you. This month, we will be sending you an Open House invite to share with others. Please feel free to forward that email to whomever you think might be interested. We have committed this year to the Lord and done our best to keep our Heritage family safe and healthy, while providing the best preschool and kindergarten education for your children. Thank you for all that you have done to contribute to that this year, along with the many ways you have blessed our staff. What a great way to spread the love and faithfulness of Jesus!

Dear Heritage Families,

As a faculty and staff, we want to thank you for being so generous towards us at Christmas this year. It is our joy to work with your children each day at Heritage. We feel very appreciated through your generous gifts.

Thank you.

Sincerely,

Heritage Faculty and Staff

The cold weather is definitely here and the teachers like to go outside to play during their playground time. Please send in **hats and gloves** with your child's name written on the tag. Also, teachers would appreciate parents sending in winter clothing for your child's extra set in case they get wet. Please check with teachers about your extra masks, if needed.

Cold Weather Outdoor Play Boosts Immune System!

Cold weather, outdoor play- It's not only for children, but adults too! Think layers – adults and children alike! Adults should wear layers of lightweight clothing to stay warm. Don't forget gloves and a hat! Because children's bodies can lose heat faster, young children and babies should be dressed in one more layer than an adult. **Make sure their head and neck are covered and they have a warm pair of gloves for their hands.** Winter fresh air is good for everyone!

Here are four benefits of outdoor winter play: breathe fresh air, strengthen immune system, engage in physical exercise, and stimulate the imagination. For more information: https://www.med.upenn.edu/antibiotics/newsletters/2017_5.1_January.pdf
