****March 26th there will be no afternoon programs due to our monthly staff meeting.**

International Month is here!

We will be celebrating the USA this week. Please dress your child in red, white and blue for our festivities on Thursday and Friday (depending on your class)!

If you would like to share with your child's class about your family's heritage, please feel free to contact their teacher.

This week is Read across America week! Our teachers love reading to their classes but Dr. Seuss week puts a skip and a jump in their day. Classes have been enjoying fun Dr. Seuss activities over the past few days throughout our school. This is a great reminder to read with your children as reading encourages pre-reading/writing skills and creativity as they imagine far off places, and of course it's a great way to spend time with your children.

We are excited to announce Heritage's first Pizza & Stromboli Fundraiser!

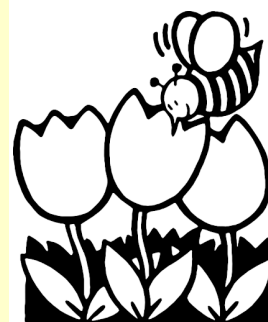

Order forms were sent home this week in your child's folder. Completed order forms and money are due back to Heritage by March 15th. Help support Heritage School's Financial Aid Fund and a local business at the same time!

Another great fundraiser for our school is the **Race for Education** which is coming up May 13th & 14th! Check in your child's school folder for important information and forms in the next month.

It's hard to believe right now, but consistent warmer weather is just around the corner!

Please make sure your child's emergency clothes in the classroom are appropriate for Spring.

Many of you have been asking about camps this summer. COS's Children's Ministry is currently working on providing the best opportunity for your children. Please keep an eye out on their website <https://www.coswayne.org> or wait for an email or newsletter from Heritage school office for any new updates.
